RONI BEN-HUR - Madrid, 02/01/2007 - © Sergio Cohanillas, 2007.

Roni Ben-Hur is an Israeli-born jazz guitarist who has been gaining an audience in New York and elsewhere since he arrived here in 1985. He is a leader, player, composer, and arranger, as well as an educator. "Teaching is something I feel very passionate about," says Roni. "I like to provide students with valuable information to help them see the bigger picture. They must always remember that music is art and art is for the sake of beauty for all people because it elevates the human spirit."

The musicians in the quartet are outstanding. The group will play music by Ellington, Strayhorn, and perhaps others. Don't miss this chance to hear them. The spirit of jazz lives on! For more information: www.ronibenhur.com
